Total Allowable Catch	2 000	*	20 000⁷	*	*	*	4 000⁹	*	*	20 000	150 000⁵

¹ Quotas to be fished by vessels from Estonia, Latvia, Lithuania and the Russian Federation. The provisions of Part I, Section A.3 of the NAFO Conservation and Enforcement Measures shall apply.

² The opening date for the squid (*illex*) fishery is 1 July.

³ Any quota listed for squid may be increased by a transfer from any "coastal state" as defined in Article 1, para. 3 of the NAFO Convention, provided that the TAC for squid is not exceeded. Transfers made to Contracting Parties conducting fisheries for squid in the Regulatory Area shall be reported to the Executive Secretary, and the report shall be made as promptly as possible.

⁴ Not Specified because the allocations to these Contracting Parties are as yet undetermined, although their sum shall not exceed the difference between the total of allocations to other Contracting Parties and the TAC.

⁵ The TAC would remain at 150 000 tons subject to adjustment where warranted by scientific advice.

⁶ Of which no more than 40% (532t) may be fished before 1 May 1998 and no more than 80% (1064t) may be fished before 1 October 1998.

⁷ Each Contracting Party shall notify the Executive Secretary bi-weekly of catches taken by its vessels from this stock. The Executive Secretary shall notify without delay all Contracting Parties of the date on which, for this stock, accumulated reported catch taken by vessels of the Contracting Parties is estimated to equal 100 percent of the TAC for that stock. At that date each Contracting Party, to which a quota has been allocated or which vessels are engaged in fishing under the "Others" quota, shall prohibit fishing by its vessels for that stock.

⁸ Contracting Parties shall inform the NAFO Executive Secretary before 1 December 1997 of the measures to be taken to meet the advice of the NAFO Scientific Council.

⁹ The provisions of Part I, Section A.4b) of NAFO Conservation and Enforcement Measures shall apply (FC Doc. 96/1).

* No directed fishing - The provisions of Part I, Section A.4b) of NAFO Conservation and Enforcement Measures shall apply.
