Foreword

In accordance with its mandate to disseminate information on fisheries research to the scientific community, the Scientific Council of NAFO publishes the Journal of Northwest Atlantic Fishery Science, which contains peer-reviewed primary papers and notes on original research, and NAFO Scientific Council Studies, which contains review papers of topical interest and importance.

This issue of NAFO Scientific Council Studies contains miscellaneous contributions nominated for publication by the Standing Committee on Publications (STACPUB) of the Scientific Council from research documents presented to its meetings. The 26 previous issues of the NAFO Scientific Council Studies are listed on the back cover of this volume.
