Foreword

In accordance with its mandate to disseminate information on fisheries research to the scientific community, the Scientific Council of NAFO publishes the *Journal of Northwest Atlantic Fishery Science*, which contains peer-reviewed primary papers and notes on original research, and *NAFO Scientific Council Studies*, which contains review papers of topical interest and importance.

This issue of *NAFO Scientific Council Studies* contains the proceedings and papers presented at *The Canada-United States Yellowtail Flounder Age Reading Workshop* as proposed for publication by the Standing Committee on Publications (STACPUB) of the Scientific Council. The 34 previous issues of the *NAFO Scientific Council Studies* are listed on the back cover of this volume.
