

44th ANNUAL MEETING – SEPTEMBER 2022

NAFO Internship Program (Prepared by the NAFO Secretariat)

Due to the COVID-19 pandemic, the NAFO internship continued to be postponed into 2022. The NAFO Secretariat expects the program to resume in early 2023.

Background Information

At the 2011 Annual Meeting, the NAFO Internship Program was adopted by the Organization to commence its activities in 2012. The NAFO Internship Program allows students, post-graduates or early career individuals from NAFO member countries to work in the NAFO Secretariat as an intern for periods of up to six (6) months. Interns can gain experience and knowledge in operations of NAFO as an intergovernmental organization while the NAFO Secretariat can benefit through the presence of an additional professional and their capacity and knowledge. The Secretariat reports annually to STACFAD on the internship process.
