EEC proposal regarding the group of cod stocks  
in 2J3KL that might be available in the  
Regulatory Area in 1986

The EEC proposes that:

1. The Scientific Council be requested for an urgent assessment of the group of cod stocks in 2J3KL that might be available in the Regulatory Area in 1986.
2. The Commission adopt management measures for the group of cod stocks in 2J3KL that might be available in the Regulatory Area in 1986.
