SEVENTH ANNUAL MEETING - SEPTEMBER 1985

Definition of terms of reference on question
referred to the Scientific Council

The Executive Secretary received on 28 June last a telex from the Director-General, Fisheries, Mr. E. Gallagher, with reference to item 15(h) of the Draft Provisional Agenda, circulated with NAFO Circular Letter 85/54 dated 10 June 1985, reading:

"The European Community requests the following new item for insertion in the Provisional Agenda for the Fisheries Commission Meeting during the 7th Annual Meeting of NAFO, Havana, Cuba, 9-14 September 1985:

Definition of the terms of reference for a request to the Scientific Council on management of fisheries resources in the Regulatory Area in 1987, to include the examination of various management options."

To this request is attached the following:

MEMORANDUM

"This request is made with reference to Article VIII and XI of the Convention.

As it is not envisaged that the Fisheries Commission will have another meeting before the Provisional Agenda for the Scientific Council in June 1986 has to be drawn up, it is necessary to deal with this matter already at the forthcoming meeting of the Fisheries Commission in September 1985."
