15TH ANNUAL MEETING - SEPTEMBER 1993

Management Measures for 3NO Cod

PART I. MANAGEMENT

Add new Paragraph H.

H. Other Measures - 3NO Cod

The fishery of Cod in Divisions 3NO in 1994 shall be conducted with 50% observer coverage and 100% inspection presence in the area as enhanced co-operation between the European Community and Canada, and 100% dock side control shall be established.
