(Revised)

17TH ANNUAL MEETING - SEPTEMBER 1995

Management of Shrimp Fishery
(from FC W.P. 95/38)

NAFO CONSERVATION AND ENFORCEMENT MEASURES

AMEND IN PART I.F. - to read as follows:

F. OTHER MEASURES - MANAGEMENT MEASURES FOR SHRIMP IN DIV. 3M

1. Vessels fishing for shrimps in Division 3M in 1996 shall use nets with a minimum mesh size of 40 mm.
2. Vessel fishing for shrimp in Division 3M in 1996 shall use sorting grids or grates with maximum spacing between the bars of 22 mm.
3. In the event that total by-catches of all regulated groundfish species in any haul exceed 5 percent by weight, vessel shall immediately change fishing area (minimum of 5 nautical miles) in order to seek to avoid further by-catches of regulated groundfish.
4. Each Contracting Party shall limit in 1996 the number of vessels fishing for shrimp in Div. 3M to the number that have participated in this fishery in the period from 1 January 1993 to 31 August 1995.

Each Contracting Party shall, in 1996, limit the number of fishing days by its vessels fishing for shrimp in Div. 3M to the maximum number of fishing days observed for their vessels in one of the years 1993, 1994 or 1995 (until 31 August 1995).

Contracting Parties with no track record in the shrimp fishery may, in 1996, fish for shrimp with one vessel in 100 fishing days, and Contracting Parties with a smaller track record may in 1996 fish an equal number of days.

Each Contracting Party shall communicate the number of fishing days to the Executive Secretary before 1 December 1995 that are available to that Contracting Party for 1996. The number of days shall be counted from the hail reports of vessels fishing for shrimp in Div. 3M and shall include the days of entry and exit from the Regulatory Area. In the case where vessels fishing for shrimp and other species on the same trip the number of days shall be counted from the day the vessel entered the shrimp fishery to the day the vessel ceased that fishery.

AMEND PART I.G.- to read as follows:

G. OTHER MEASURES - MANAGEMENT MEASURES FOR SHRIMP IN DIVISION 3LNO

All Contracting Parties shall ensure that their vessels shall not conduct a directed fishery for shrimp in Divisions 3LNO in 1996.
