29TH ANNUAL MEETING – SEPTEMBER 2007

(Proposal by Canada)

Add to Article 3 of the NAFO Conservation and Enforcement Measures

(ADOPTED)

6. Where no agreement can be reached by the Fisheries Commission on a NAFO managed stock, through either consensus or vote, the Fisheries Commission shall maintain the existing relative percentage quota shares for that stock, as reflected in Annex I. This shall be deemed to be a proposal of the Fisheries Commission pursuant to Articles XI and XII of the Convention for the succeeding calendar year.
