

Serial No. N6373

NAFO/FC Doc. 14/08
(Adopted)

36th ANNUAL MEETING – SEPTEMBER 2014

Redundancy of Footnote 8 in CEM Annex I.A

Preamble

According to CEM Art 5.5 (d), the directed fishery for RED 3M must be closed between the date on which catch is estimated at 50 % of the TAC, to be fixed by the Executive Secretary and communicated 5 calendar days in advance as per CEM Art 5.12 (d), and 1 July.

Footnote 8 in Annex I A duplicates the provision in 5.5 (d) and limits the permanent annual provision to 2014;

Proposal

1. To suppress footnote 8
