ANNUAL MEETING - MAY/JUNE 1960.

Halibut Bibliography.

By Dr. F. D. McCracken.

Following commission's request in the 1959 Annual Meeting lists of papers on halibut from the N-Atlantic area were solicited by the secretariat. The following is a compilation of these lists. Papers distributed as documents for ICNAF meetings are not included. Papers concerned with the Pacific halibut are not considered; most of these will be found in the publications of the International Pacific Halibut Commission.
