ANNUAL MEETING - JUNE 1968

Status of Commission Proposals for Changes in the Convention
and for International Regulation of the Trawl Fishery
under the Convention

by the Executive Secretary

There are attached, for the information of the Commissioners and their Advisers, tables indicating the current (9 May 1968) status of approval of proposals for changes in the Convention (Tabulation I) and acceptance, or conditional acceptance, of the various proposals for regulation of trawl fishery (Tabulation II) adopted at the 1957, 1961, 1963, 1964, 1965, 1966 and 1967 Annual Meetings of the Commission.

The purpose of Tabulation II which relates to trawl fishery regulations is to provide a convenient reference table of required acceptances. Consequently, acceptances which have been received by Depositary Government, but which are not required for entry into force of proposals, are not indicated.

Under the present provisions of the Convention, proposals such as those for changes in the trawl fishery regulations become effective for all Contracting Governments four months after the date on which notifications of acceptance have been received by the Depositary Government from all the Contracting Governments participating in the Panel or Panels for the subarea or subareas to which the proposals apply.
