ICNAF Comm.Doc.70/31

ANNUAL MEETING - JUNE 1970

ICNAF Haddock Catch Quota Report  
for the period 1 January-15 May 1970

1. The catches of haddock reported by Canada and USA from Div.4X of Subarea 4 and from Subarea 5 during the period from 1 January to 15 May 1970 are presented overleaf. This report is presented in accordance with proposals from the 1969 Annual Meeting of ICNAF which entered into force 1 January 1970 for international regulation of the fishery for haddock in Div.4X of Subarea 4 and in Subarea 5 of the Convention Area.
2. Member countries whose vessels have made haddock catches in the regulated areas are requested to report the amounts taken for each two-week period when possible.
