ANNUAL MEETING - JUNE 1971

Panel A

Proposal by Canadian Delegation on Harp Seal Quotas

- | | | | |
|--|--------|--|----------------|
| 1. Allowances for catches by local fishermen ("landsmen"): | | | |
| Greenland | 10,000 | | |
| Canada | 30,000 | | 40,000 |
| 2. Combined catch by Norwegian and Canadian vessels: | | | <u>120,000</u> |
| | | | 160,000 |

Regarding item 2, Canada and Norway may have bilateral discussions on the allocation of national quotas.

Regarding item 1, it is the intention of the Canadian government to institute additional controls on the seal fishery by local residents, which are expected to reduce the catch below the levels anticipated a year ago.
