SCIENTIFIC COUNCIL MEETING - JUNE 1988

EEC Request for Scientific Advice on Management  
of Certain Stocks in 1989

by

R. De Miquel, Director

Directorate General for Fisheries Commission for European Communities  
Brussels, Belgium

With reference to Article VIII of NAFO Convention and the Fisheries Commission request for Scientific advice on management in 1989 of certain stocks in Subareas 3 and 4, the European Economic Community would wish to reiterate the particular importance in its view of the Scientific Council studying the status of Cod in Div. 3M and Flatfish stocks.
