FAO Fisheries Circular (*FAO Fish.Circ.*)

These circulars, given very restricted distribution, are mostly short notes, lists on various topics or provisional versions of documents which may eventually be issued in final form in other series. Some fisheries circulars, presenting statistical tables with provisional data, are prepared as papers for conferences, committees, commissions, working parties; these tables may eventually be issued after revision in the "Yearbook" or "Bulletin of Fishery Statistics".

FAO Fisheries Circular (*FAO Fish.Circ.*)

These circulars, given very restricted distribution, are mostly short notes, lists on various topics or provisional versions of documents which may eventually be issued in final form in other series. Some fisheries circulars, presenting statistical tables with provisional data, are prepared as papers for conferences, committees, commissions, working parties; these tables may eventually be issued after revision in the "Yearbook" or "Bulletin of Fishery Statistics".

CATCHES IN THE NORTHWEST ATLANTIC,
BY COUNTRIES AND BY SPECIES, 1964

Prepared by

Fisheries Statistics Section, Economics Branch,
Fisheries Division, FAO

FOOD AND AGRICULTURE ORGANIZATION OF THE UNITED NATIONS
Rome, 11 May 1965

FAO Fisheries Circular (*FAO Fish.Circ.*)

These circulars, given very restricted distribution, are mostly short notes, lists on various topics or provisional versions of documents which may eventually be issued in final form in other series. Some fisheries circulars, presenting statistical tables with provisional data, are prepared as papers for conferences, committees, commissions, working parties; these tables may eventually be issued after revision in the "Yearbook" or "Bulletin of Fishery Statistics".
